CAREER OBJECTIVE

I am a painter, illustrator and designer eager to join a creative team where I can utilize my experience, a unique combination of advertising and fine art, to solve visual problems and bring some fun to challenging projects. I am trained in an array of media and am as comfortable working digitally as I am with paints and paper and enjoy combining techniques. I recently have discovered that I love surface and stationery design and believe I can bring something unexpected to these industries.

RELEVANT WORK HISTORY

Student Services Office Assistant - PAFA 2016 - Present

I create flyers and other info graphics, for web and print, to announce events and keep students apprised of events and opportunities such as calls for art.

Freelance Graphic Designer & Illustrator 2005 - Present

Freelance Social Media Specialist 2005 - Present

Contracted Production Artist - Seltzer Goods 2015

Store Graphic Artist - Wholefoods Market 2013 - 2015

I designed stores signs, illustrated and hand lettered with chalk markers, to promote sales, products and events. I also created print ads for local publications and web graphics for the store's social media accounts. I maintained company brand standards and message through design and daily store inspections.

Exhibitions & Education Intern - VA MOCA 2012

I participated in gallery preparation, curatorial assistance, research, artist outreach, catalogue design and enrichment activity development for the museum's educational branch. These responsibilities were specifically in relation to the *Andy Warhol: Portraits* exhibition, concurrent group show, *I like Soup* and the annual *New Waves* exhibition.

Sales Associate - Jerry's Artarama 2011 - 2013

While earning my associate's degree, I worked selling and demonstrating art supplies. To promote sales, I designed store displays, signs and assisted in managing the store's social media accounts. I kept the store competitive by reaching out to local art teachers in assure our store was stocking their required supplies.

Web Graphic Designer - Cox Auto Trader 2011 - 2013

I was part of rebranding websites and publications AutoExtra and AutoMart.com. This included styleguide creation, designing web ads and logos. I was also responsible for designing ads and logos for car dealer clients and automotive related product advertisers.

Graphic Designer - Trader Publishing Company 2011 - 2013

As a designer, I was dedicated to GetAuto.com. I designed website templates for the site's online vehicle dealers. This included designing web ads, logos, email newsletters, back end user interfaces and some minor html editing.
